EDUCATION

Radboud University (Nijmegen)
(2023–2026)

MSc | Cognitive Neuroscience
Lifelong Learning and Neuroplasticity
Donders Institute for Brain, Cognition, and Behaviour
+16 EC Neurophilosophy Minor
WITH DISTINCTION (Cum Laude)

MSc | Behavioural Data Science
Methodology, Statistics, Clinical Research
Behavioural Science Institute, Nijmegen
WITH DISTINCTION (Cum Laude)

Honours Academy Graduate
A) Citizen Participation Initiative
B) External Internship Grant

Bc. | Charles University (Prague)
(2020–2023)
Social Sciences & Humanities
Psychology and Life Sciences Department
WITH DISTINCTION (TOP 10%)

WORK EXPERIENCE

Clinical Research Assistant — 1 yr 11 mos
10/2024 – 08/2026
Amsterdam UMC, Medical Psychology
Amsterdam, Netherlands · Hybrid · Research Master's internship

Trial workflow (study start-up, participant recruitment, scheduling, follow-up, data extraction and harmonisation) · On-site and online data collection · Clinical population data analysis · Statistical reporting and visualisation · Report writing

Funding: ERC Starting Grant under Horizon Europe (Grant Agreement ID 101042028), €1.5 million · Project: AFFIRM Relationships (study publication)

Clinical Research Analyst — 1 yr 6 mos
06/2025 – present
Emory University School of Medicine
Atlanta (GA), USA · Remote · with Deanna Kaplan, PhD and Roman Palitsky, PhD

Safety monitoring in a naturalistic setting · Longitudinal data analysis of real-world daily outcomes · Statistical reporting and visualisation · Report writing

Funding: NIH (1K23MH142800-01), $195,390

Clinical Research Analyst — 1 yr 3 mos
09/2025 – present
National Institute of Mental Health (NIMH)
Psychedelic Research Center · Prague, Czechia · Hybrid

Clinical data harmonisation · Clinical data quality assessment and validation · Clinical data cleaning and pre-processing · Phase I RCT data extraction and analysis · Statistical reporting and visualisation · Report writing

Funding: Radboud Honours Academy, Erasmus+ · with MUDr. Tomáš Páleníček, PhD

Research Assistant / Analyst — 2 yrs 7 mos
01/2024 – 07/2026
Behavioural Science Institute, Radboud University
Nijmegen, Netherlands

Research synthesis and meta-analysis data extraction · Behavioural subtyping of participants using a clustering algorithm · Study design, Ethical Review Board submission and ethical approval amendments

Funding: Radboud University (Campus Detachering)

Methodology & Statistics Teacher — 2 yrs 11 mos
10/2023 – 08/2026
Radboud University, School of Psychology
Nijmegen, Netherlands

Teaching and supervision of undergraduate psychology students · Two seminars on research methodology, statistics and interventions · Supervision of >40 students' quantitative research projects

Clinical Research Assistant — 10 mos
10/2023 – 07/2024
Experimental Psychopathology and Treatment, BSI
Nijmegen, Netherlands · Research Master's internship

Study start-up · Participant recruitment · On-site behavioural and self-reported data collection · Data preprocessing and analysis · Healthy volunteers

Supervised by Prof. Mike Rinck

VALUES ♡

- *People Centred Approach*
- *Diversity, Equity, Inclusion*
- *Impact Oriented Research*
- *Team & Interdisciplinary Work*
- *International Collaboration*
- *Lifelong Development & Growth*

SKILLS

- *Fluent English and Czech Proficiency [C2]*
  - *German and Dutch [basics]*
- *Software: R[Studio], Claude*
  - *Python/PsychoPy, Matlab [basics]*
  - *GitHub [basics]*
- *Data: Human Clinical Research, RCTs*
- *Multi-level and Complex System Analysis*
- *Transdisciplinary Research Expertise*

TIMELINE

Born Thursday 13.05.1999
Šumperk, Czechia

Primary & Secondary Education
Šumperk, Czechia
2006–2019

Secondary Education Exchange
Utrecht, Odense
2016 & 2019

Working Abroad & COVID-19
Netherlands, Czechia, Iceland
2019–2020

Bc. / Undergraduate (Charles University)
Prague, Czechia
2020–2023

- **Second Bc. year (RU 1st Erasmus)**
  ½ Prague → ½ Nijmegen
  2021–2022
- **Third Bc. year (RU 2nd Erasmus)**
  ½ Prague → ½ Nijmegen
  2022–2023

MSc. Behavioural Science (RU)
Nijmegen → Amsterdam, Netherlands
September 2023–August 2026

MSc. Cognitive Neuroscience (RU)
Nijmegen → Amsterdam, Netherlands
February 2024–August 2026

Prague (new home)
Prague, Czechia
September 2026–present

PROJECTS

Adverse Events After Naturalistic Psilocybin Use *2025–2026*
Safety analysis of adverse events around naturalistic psilocybin use (PUNS study, Emory University), from multi-day repeated daily measures.
PREREGISTERED · Palitsky, Kaplan, Levin-Aspenson & Šupa (2026) · OSF.IO/7ZD9A

Daily-Life Measure of Psychedelic Effects (TRIP) *2025–2026*
Development and pilot of an ecological momentary assessment (EMA) measure: acceptability, feasibility and adherence.
MANUSCRIPT IN PREPARATION · Kaplan, Pozzo, Šupa, … Palitsky

Psilocybin and Emotion Recognition (Phase I RCT) *2025–2026*
First-author study of psilocybin's effect on emotion recognition in healthy subjects, using a dynamic emotional morphing task.
PREREGISTERED · Šupa, van Schie & Palenicek (2025) · OSF.IO/QBV7R

Emotional Control in Gender-Affirming Therapy *2025–2026*
First-author Master's thesis (Amsterdam UMC) on emotional conflict control over time, using Bayesian mixed models with a ROPE approach.
PREREGISTERED · Šupa et al. (2026) · OSF.IO/ZT6QB

Primary Sexual Experiences and Sexual Orientation *2022–2023*
Survey study (N = 430) on the quality of first sexual experiences and sexual orientation development. Supervised by Prof. James Pfaus.
BACHELOR'S THESIS · Šupa (2023) · hdl.handle.net/20.500.11956/185281

Gender Identity Development [Qualitative] *2022–2023*
Ten semi-structured interviews on lived experience of gender identity development in trans and gender diverse emerging adults.

SOCIETY & LEADERSHIP

PSY-NET Methodology & RCT Working Group *Ongoing*
COST network working group on methodology and randomised controlled trials in psychedelic research. Contributing to trial data harmonisation in R. Co-presented a talk on blinding and control arms (10/2026).

Conference Talks & Posters *2025–2027*
Two talks and a poster on "Psilocybin in (E)motion" at Synapsium 2026, ICPR 2026 and the 68th ČNPS 2026. Upcoming talk at the 69th ČNPS (2027). Also attended ICPR 2024, SSA 2024, ECNP 2025 and BSI Day 2026.

>€12,000 in Individual Grants & Scholarships *2022–2026*
Three €3,300 Erasmus+ mobility grants, a €3,000 Radboud Honours Academy internship grant and five COST or private conference scholarships.

Chair of Education Committee (Maizena Study Assoc.) *2023–2024*
Led the organisation of events on psychedelic research, PhD pathways, AI tools and the academic job market in a non-hierarchical team.

Honours Project: Citizen Participation Think Tank *2024–2025*
Radboud Honours Academy think tank. 8-month interdisciplinary project on societal participation with Overbetuwe municipality.

Student Ambassador & Memberships *2023–2026*
Research Master's ambassador (Behavioural Science, Cognitive Neuroscience) at open days. Former member of OPEN Foundation, APRA, Radboud Theoretical Psychology and Student Gender & Sexuality Assoc.
